Dear Jack,

I guess I'll sign your annual right here and fill up this empty space with log wash. HA HA No really I've enjoyed going to school with you and living in this great town, "Nik". By the way, I didn't ever know where you lived until this summer when Chuck & Fred came down. Ya know, they were building a house back behind your house a ways. I hear you and Chuck really had fun playing foot ball while me & Fred rode around town on his motorcycle. That was a blast. You're a great kid so stay that way.

P.S. Be good! HA

Love ya, (Sgt.)

As the Soaring Sixties game way to the "Sensational Seventies", the Eagle Staff collected the memories of your 1969--1970 school year and recorded them into these 100 pages.

The new decade ushered in a year of spirit and great fellowship. It was a contageous spirit, born in those loyal Eagle hearts.

Nixa High School seemed to be dearer to its Fans this year. The harder we cheered, the more victories we won.

This is the new Spirit of 70 which we want to help you remember.

ADMINISTRATION & FACULTY

Superintendent Reed G. Espy

Students And Staff Promote School Spirit And Interest

MR. FRANK ROTROCK, High School Principal

75 Years Of Service

Our present Board of Education and Superintendent have given Nixa Schools a total of seventy-five years of service!

Dr. Victor Wood, has served a total of 18 years from 1951--1970. He is retiring from the Board this year.

Mr. Freman Glenn, President for 15 years is completing his 16th year.

Mr. Richard Bowman, Secretary-Treasurer has served 7 terms.

Mr. Wilbern Moore is serving his 15th year.

Mr. Ken Richmond is completing his second term, and Mr. Keith Keltner is serving his first.

Superintendent Espy is completing his 16th year as administrator of Nixa Schools.

S.C. Bridges "Generation Gap"

The Student Council under the leadership of President, Lynn Shaffer, served to provide better communication between students and administration. New projects included the Halloween Masked Ball, Saturday Nite Film Fest, and Exchange Student Day. They worked to improve methods of electing Homecoming Queen and School Cheerleaders. They also helped revise the Honor Roll System. Mr. Noel Curl is the faculty advisor.

MR. JOHN THOMAS
Elementary Principal

P.T.A. officers were Rayma Young, Judy Roy, Doris Sellars and President Virginia Blevins.

ACADEMICS

THAT'S THE SPIRIT!

VOCATIONAL
. . . ARTS . . .

Home Economics
Agriculture
Industrial

. . .

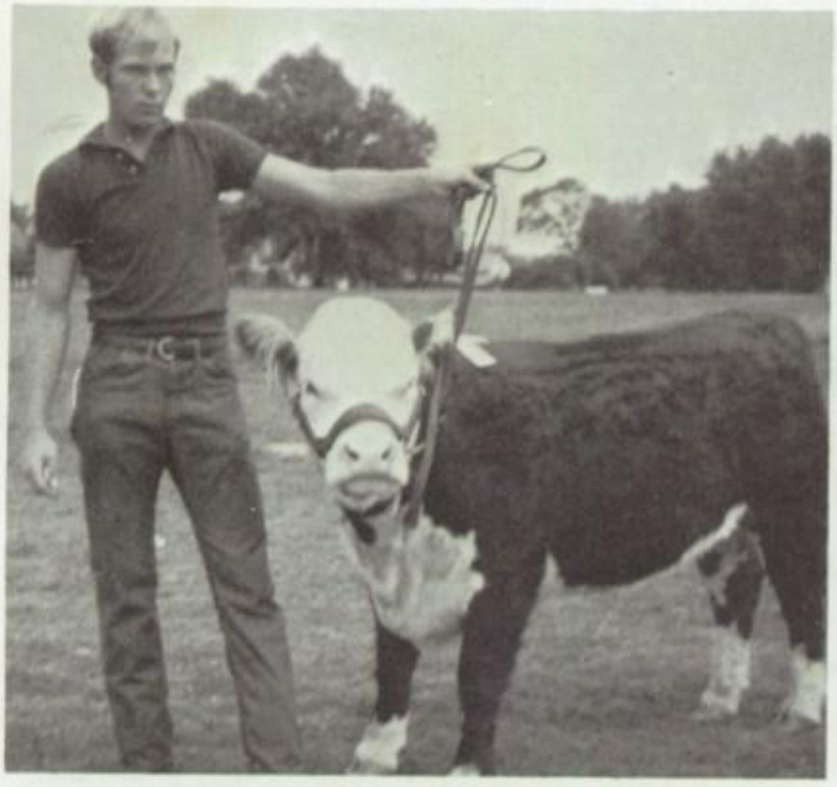
Home Ec II and Advanced Clothing classes created their elegant garments, and modeled them at the Spring Show. These included the popular pant suit, formals, jumpers, suits and coats, suited to the new decade of 70.

Sonja Rees modeled a blue flocked formal.

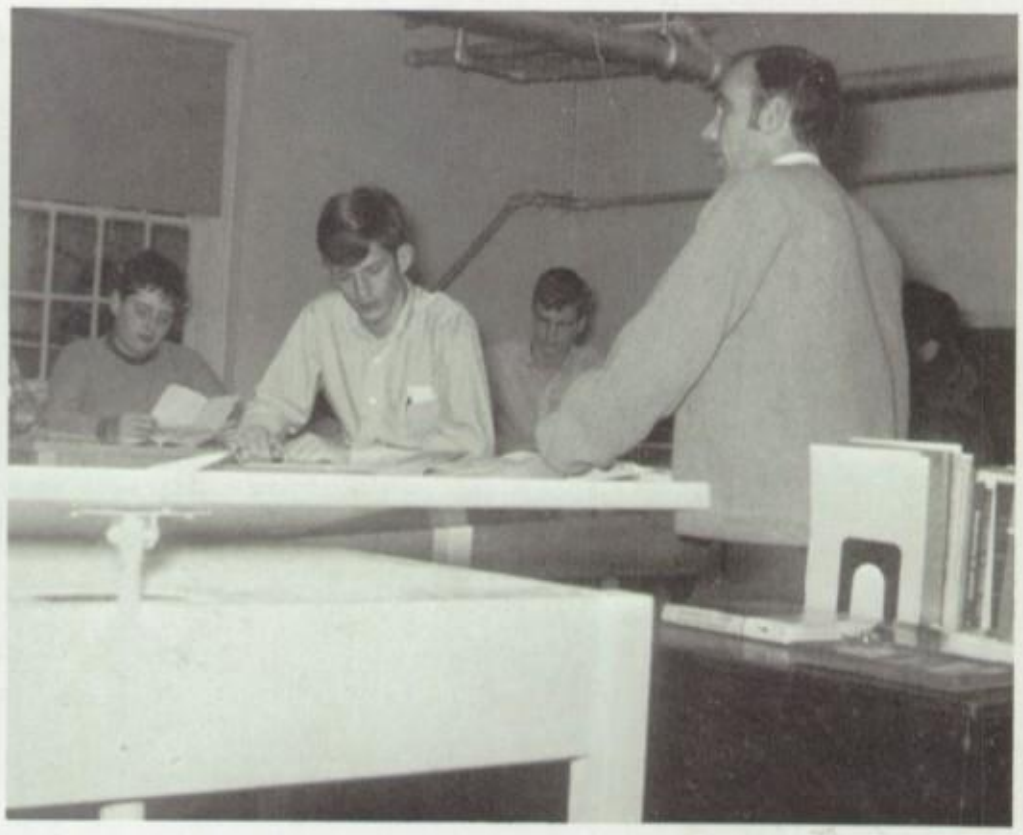
Part of Home Management is learning to cook. It was the Smell Day of the week when Seniors made yeast bread.

Christina Salkil and Cheryl Meadows, behind the scenes at the show.

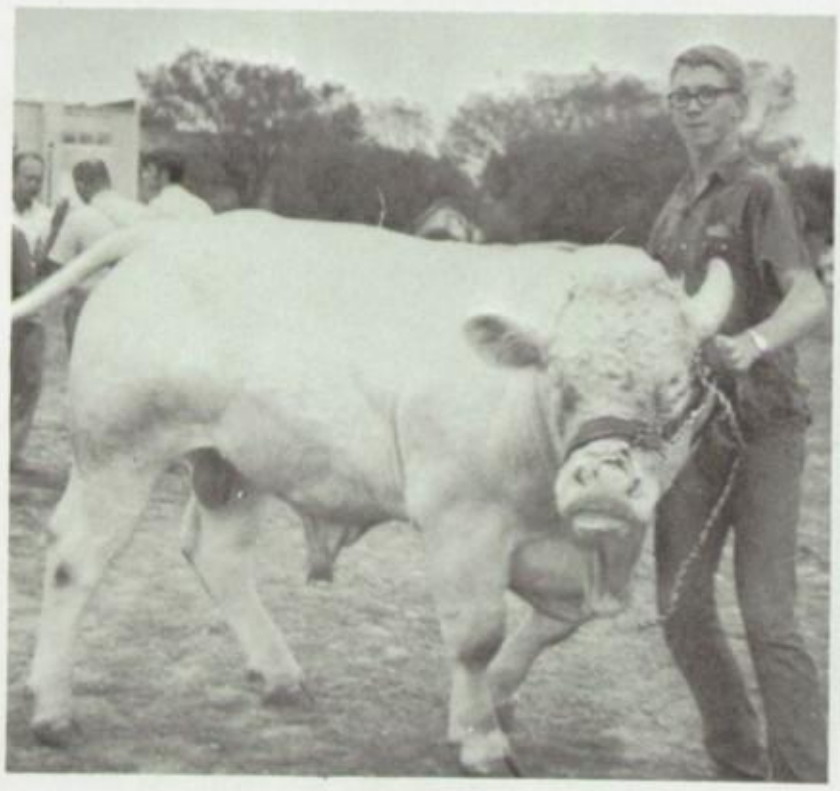
Freshman Donna Baker learned to sew a pretty fine seam in Home Ec I.



Jim McCowan and his prize winner.



Gary Hopkins, Joey Glenn and Joe Ross expect to make a career of drafting????



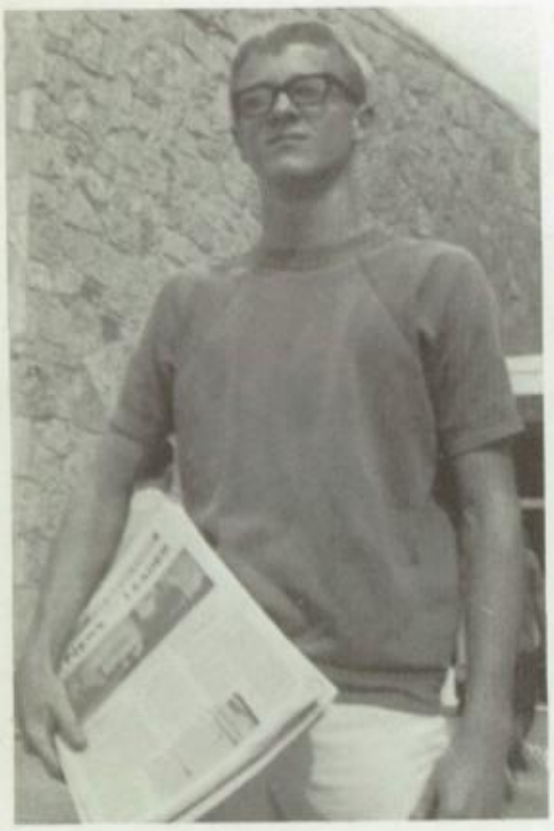
Terry Young's bull was a prize-winning Charolais. His Beef Cow was also voted most outstanding at the FFA Project show.

Terry Walker, David Gamble, and David Bellman represented the FFA Chapter at the State Convention in Columbia, Missouri.

How to operate a lathe and power saw took all of Danny Halbrook's attention. (Well, almost)

Robbie Phillips would have sold his wrought-iron table for $30.00, that was before his Mother saw it. Robbie was awarded the honor of most outstanding student in Industrial Arts.

. . . LANGUAGE ARTS



"Wanna Buy A Paper?"

Tim Reser was one of the Juniors in attendance at the Springfield Newspaper Workshop. They did a unit on the newspaper and used it as the official text. They toured the office and press.

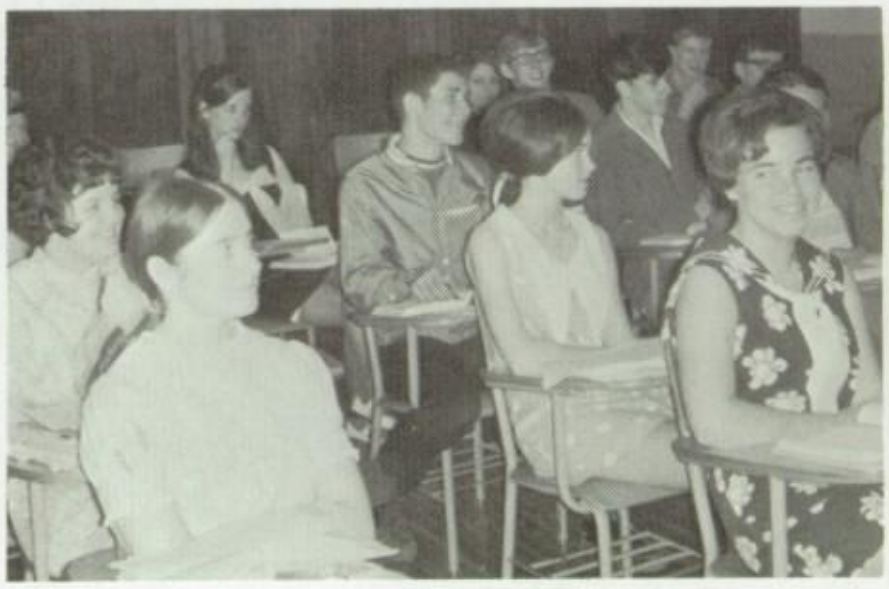
Sophomores did some play acting. Julie Flood and David Young did this interpretation of Helen Keller's MY FIRST WORDS.

Freshman Glayton Giddens reads "Gunga Din".

Speech Dept. Won District And State Awards

They worked with the Music Department in the Oklahoma Musical.

Students participated in several tournaments.



"You've, got to be kidding! Are you sure that you don't want the day off??"

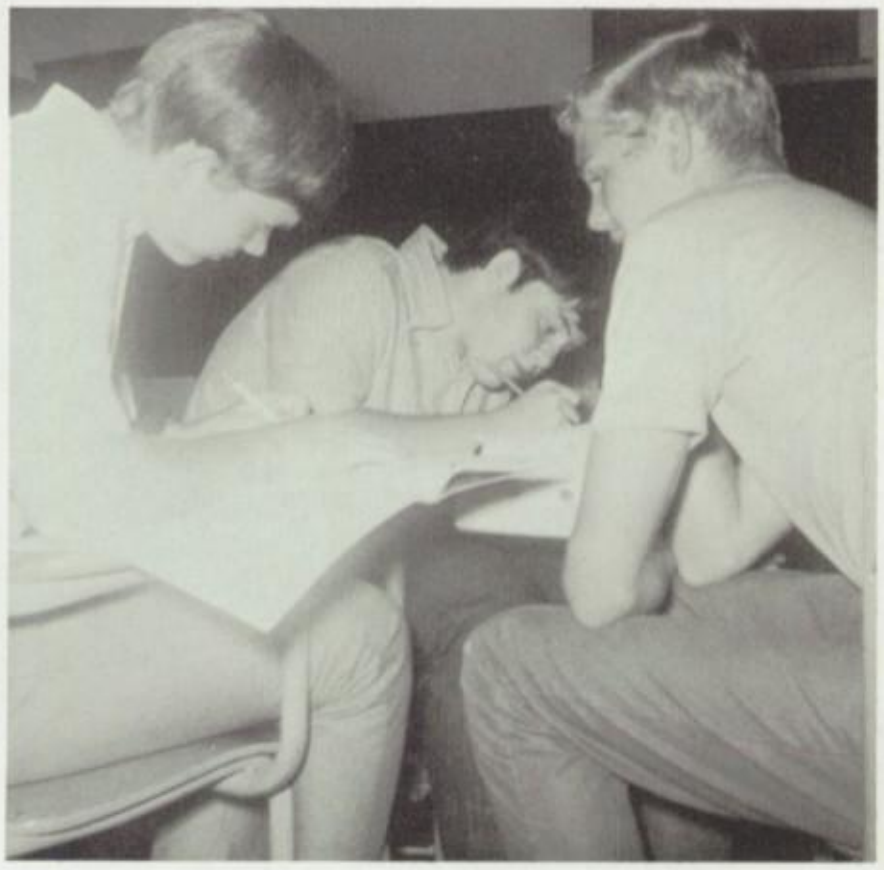
German

Jim Krieder wanted to know if anyone was absent. (Not that day)

Lynn Hawkins 8 gr. "That's the way it is."

SCIENCE . . .

Lynn Shaffer and Gary Bowman plan to get right to the heart of the matter.



Professor Hogarth from SMS taught a special class in Physics.

Kathy Deffenderfer didn't believe Mr. Walker when he told them that tomorrow "We are going to dissect a fetal pig".

These "Batty enthusiasts" went on a field trip to The Civil War Cave to study the bat and his home.

Mark Newberry, Bonnie Herndon, Bev Harrington, Veon Plank and Lynn Shaffer were the Biology II students on this particular trip.

David Blevins and Allen Cunningham made a detailed study of the bat.

"Don't look up, but there's a bat!"

. . . ART . . .

The Art Department, under the supervision of Mrs. White have created many beautiful objects. They created Mosaics, oil paintings, and water color drawings.

The aim of art is to teach self expression, originality, and creativity. They learned these facets of art as well as the basis of the subject.

The students became street artists by painting Nixa Shop windows.

N.H.S. Artists Paint Town "Red".

Mexican Pinatas for Jr-Sr Prom were created from tissue paper curls.

Eighth Graders Make Puppets . . . Write Play . . . Appear On TV's Little Red School House

MUSIC . . .

42 CADETS make up this Elementary Band. They performed at the Spring Bandarama.

"Watch for that Downbeat" Mrs. Swanie Marsh wants her band and chorus to develop their talents and appreciation in music.

These 29 BEGINNERS will soon have a band of their own Eagles. We can't wait!

American History for Juniors held heated debates on contemporary issues. Jennifer Forgey is trying to concentrate on Bonnie and Kathy as they try to prove a certain point.

Wonder why she isn't looking at them?

MATH . . .

Mr. Lewis White teaches classes in Algebra II, Plane Geometry, Algebra I, General Math and 8th Grade Math.

The aim of the Math Department is to acquire whatever math skills the student may need, from basic for those who will not attend to college, to more advanced for those who plan to further their studies.

SPECIAL CLASSES . . .

Mrs. Bellah's teaching aims for reading could apply to any class. Remedial reading classes attempt to instill the desire to want to read. These classes encourage individuality, in creative expression. They help students to make discoveries about themselves, others, and life . . .

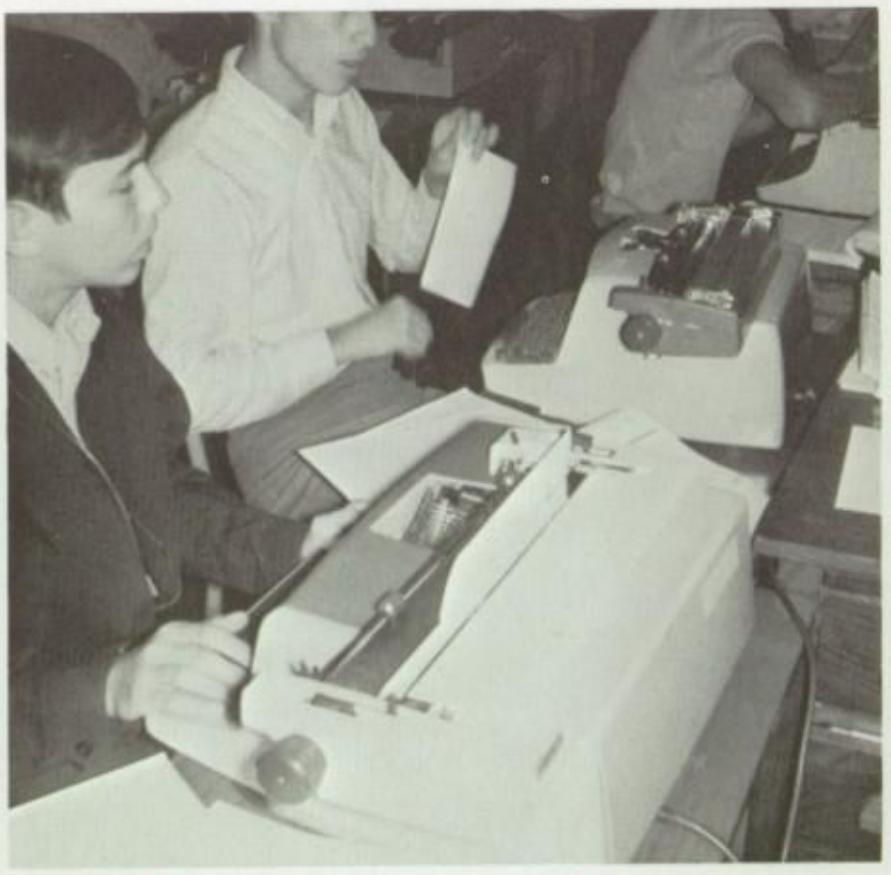
PSYCHOLOGY

This is a new class, conducted by Mr. Owen School Counselor.

Mr. Owen assists students in a choice of colleges and suitable lines of work.

BUSINESS . . .

Brent Flood Bends His Back to His Book!



First year typing students, Robert Dean and Mike Petlizer learned how to write business, friendly and love letters.

Secretarial Practice courses will enable Senior Rodgetta Asher to get a position in a business firm after graduation.

Baysinger, Walker, and Ellison with a trio on the undranded keys.

Mrs. Shirley McCullough strives to develop each student's business skills.

She hopes that with the skills of typing, bookkeeping, shorthand and machine work, that each will understand the business world better . . . . . .

"RED PEPPERS"

F.H.A. HONORED G.C.L. CHAMPS

President Marlene Middleton kept her FHA girls busy. Early in the Fall they held a Cook-out and Campout at Hawkins Bridge. They attended the Regional Meet at Rogersville on October 11. Over 100 guest were served at the reception for the Baseball and CrossCountry Team. The Club assisted the Jaycee Wives in the Heart Fund Drive. Sweetest time of the year was the Valentine Sweetheart Party with the N Club as special guests. Pam Harrington was named Sweetheart and Jim McCowan as FHA Beau. FHA Sunday, April 5, found them at the Lynn St. Baptist Church.

8 F.F.A. MEMBERS ATTEND MEET

The First Annual Barnwarming Party will be remembered as the highlight of the year. President Robbie Phillips crowned Sandy Looney FFA Sweetheart. Early in the year, Dick Neal, Vice-President, was chosen as District Sentinel. Dick was also a candidate for State Farmer as was Jerry Page, who was Club Treasurer. The FFA Project Show was sponsored by the Mothers Club. Mayor Hawkins proclaimed the week of Feb. 20 as FFA Week, stating that "these young men play an outstanding role in assuring the future progress and prosperity of our community." Biggest single honor was the Livestock Team who placed first in the District show. Jim McCowan sang with the State Chorus at Columbia.

OKLAHOMA!

Thirty-two members of the Speech and Music Department presented the Rodgers and Hammerstein musical, "OKLAHOMA!" It was as big a success on the NHS stage as it was a few years back on Broadway. Directors were Mrs. Nancy Beard and Mrs. Swanie Marsh. Prominent Scene stealers were Julie Flood, Terry Dean, and thirty others.

"Somebody Do Something."

Instead of "O What A Beautiful Mornin'" it was turning into "O What A Terrible Mixup!" Then someone sent for Mr. Espy. Now who did that?

Will Parker, played by Kim Keltner tried to convince Ado Annie, who was Gwen Peterson, that he was the one for her. Gwen has her eye on Ali Hakim, the peddler, played by Terry Dean.

Two More Scene Stealers were Paul Norman and Nancy Ash, who were members of the Chorus.

"I Can't Say No!"

Susie Espy played the part of Laurey McWilliams, Jim McCowan was Curly McLain, and Carol Eagan was great as Aunt Eller.

MUSICIANS WIN

The Eagle Band won first place honors in the M1 Class competition in the SMS Homecoming Parade. They took 1st at S.W.B.C. Homecoming.

The Stage Band performed at Homecoming festivities. They followed the Eagles in the Regional Tournament at Willard and entertained the crowd at half-time.

CURIOSITY

Tell me, tell me everything!
What makes it winter
And then Spring?
Why do people keep
Winking their eyes?
Where do birds sleep?
Do bees like to sting?
Tell me, tell me everything!

"It's The Brushing That Counts"

Mrs. Young's third grade studied about teeth. Jeff Freize and Dennis Fenley's definition of teeth is: "Teeth are hard bony structures that grow in the jaws of men and animals."

They learned that in the U. S. that children between ages 5 and 9 have over 71 million cavaties.

All class members received tooth paste and tooth brushes from Crest Tooth paste Company.

Dear Jack,

You are an all-around nice-guy and I know no one will ever challenge that proven fact. Of all the guys I know, I think Jack Cole is the nicest and everyone agrees. I was really surprised to see you in geometry this year. (You're more determined than you look!) Anyone who wants a return bout with those silly problems has really got guts!! You definitely take anything you try at. Sometimes you will never fail at Super Will Power and with that you will never fail at Jack. How can anyone smile so much and be so optimistic about living as you, Jack? I really don't know how you do it. (You're a light amidst these bleak walls. Everyone seems drawn to you because your personality beckons all within your reach. I can't really wish you good luck because you definitely have all that you need. I won't say good-bye either because I will always be your friend and always friends. Good day to you (and I hope that you'll be) "Mr. All-around Good Guy" as I know that's what it will be.

Dear Jack,

I think you are a nice person to know and have a good personality. Don't let anything or anybody change you unless it is for the better. I first got to know you in General Science and study hall last year (1969). It is a pleasure of mine to know you. God Bless You! [and me (ha!)]

Jack.
I've have known you for quite sometimes and know you as a real sharp kid and a fellow class mate. You the kind of guy who never changes and stick to one thing. There are only a few people in this world like you but the few there is makes this world better to live in. Even though bad things do happen in life I hope yours are very few. May God Bless you. Jack.
Although we've known each other a long time (many years - Girl Scouts) I have never had the opportunity to really get to know you. I think this is because you have always had your own group of friends and I've been content with mine. I'm sorry that we haven't had a chance to be friends. I hope you have a happy life.
Love, Barbara

and so much taller. Jack I can't really say I
know you too well but that doesn't stop us from
friends does it. Jack you're a guy with an everlasting smile I must
say I don't think I've ever saw you frown. Jack you're a real
sharp '73'er. and I know that with your determination and will-
power you'll make the Sr. 73 class something to remember. Jack
I hope you get What you want out of life because you're one guy
who really deserves it. I as a classmate and I hope a friend
want to wish you all the luck in the world and I hope your
life will be successful, and prosperous and may you always be
happy. Lots of Luck Paula Newberry Sr.
